FROM THE EAGLES NEST:

Hey guys - great job signing up new members this year!! We have exceeded our membership goals and are still going strong. This just proves the fact that when people see what we are doing and how much fun we are having they want to be a part of it. I am also totally impressed with so many of you new members getting involved right away with your new ideas to raise money for charities. We are lucky to have you and I am grateful. Our nominations for officers is posted so take a look and make sure you vote. Every vote counts.

I am in the process of arranging our meeting fo the Eagle Riders on a Sunday afternoon. I will call the members on the sign up sheet with the time and date. Don't forget to join us on NASCAR Sundays. Bring some munchies or a covered dish for the pot luck. You can also buy a car with your favorite driver's number on it to support the charity of the month. Make sure you put your name on them. At the last race of the season we will put them in a pail and draw for some great prizes. There will be plenty of fun in the sun this summer so watch the calendar for the golf outings. The sportsman club works hard to put them together and they are a great time.

Let your presence be known ! Get involved because it's great to be an Eagle !

From the top of the hill with the best view in town - I hope to see you around !

– *Worthy President ~2009-2010 ~ Mitch Smith*

AUXILIARY PRESIDENT'S PLACE:

Another year has come and gone... A special thank-you to the Auxiliary officers for their perseverance, dedication and integrity. Although it hasn't always been easy, I respect the time and hard-work our Auxiliary sisters have spent this past year.

Let each of us take the time to reflect on the purpose of this organization. We ARE the Fraternal Order of Eagles... We ARE 'People Helping People'... We stand for Truth, Liberty, Justice & Equality and are Loyal to our God, Country and Home. The F.O.E. does not stand for 'Fight Over Everything'... Change isn't always easy, sometimes communication skills suffer. Communication is a two way street – one to talk and one to listen. Being successful together, as an Aerie and Auxiliary takes compromise !

I wish the best of luck to our new officers. Remember to be sincere and make a conscientious effort to work together. It takes all of us, to be successful !

I'm proud to be an Eagle... how 'bout you ???

~ *Madam President – 2009-2010 ~ Debbie Gilson*

CONGRATULATIONS LADIES ! We have met our quota for the year AND exceeded it. As of this writing we having 51 NEW Members for the year and still have the Month of May to add to that. Statewide the Auxiliary is ahead of the Aerie right now, hopefully we can maintain that for another month. Thank you to everyone who signed new members. Let's keep the ball rolling for next year !

- *Auxiliary Membership Chair – Janel Miller*
