From the Eagles Nest:

To all my Brothers, it's been a great year so far, now it's time to get things moving forward over the summer!

Don't forget the wonderful 4th of July holiday weekend celebrations we have planned here at the club.

I'd like to offer congratulations along with the best of luck to all the newly elected officers, both in the Aerie and the Auxiliary.

I'm looking forward to having a GREAT year up on the hill!
Worthy President, Fred Single

The Eagle Riders

The Eagle Riders are looking for members! A page will be added to the website to provide Eagle Riders information soon. Ride on!!

4th of July Celebration

Beginning Friday, July 2nd, our Aerie will hold a three day Independence Day Family Celebration.

Everything from Trousy-oke on Friday night, live music featuring Bad Girl, No Bisquit on Saturday night and, of course, the Freedom Festival Fireworks display on Sunday night. From beginning to end, there will be family friendly activities, including the dunk tank, a bake sale, shuffleboard, baggo, Wii Bowling and pool tournaments, and a limited menu will be available from the Eagle's kitchen.

Please bring the entire family to the top of the hill for a wonderful opportunity to support the Aerie, our Country and community. Proceeds will benefit the Fraternal Order of Eagles Diabetes Research Center in Iowa City!

Casino Night Volunteers:

Anyone interested in volunteering to help Larry Van Deusen work on Casino Nights. Each Casino Night lasts 2 – 3 hours and all the proceeds go to the Aerie 2272 building fund. All interested should call Larry Van Deusen at 319-981-5533.

Aerie Clean-up Day:

Saturday, July 18 has been designated the Aerie Clean-up Day for July. Tools will be provided, as well as a meal afterwards for the volunteers. Please help us keep our Aerie grounds looking in tip-top condition. For more information contact Lupe at 319-361-7533.

From the Editor:

Hello all, this is my inaugural issue as editor of the Eagle News. First off, thanks to Janelle Miller for doing such a wonderful job in her term as Editor, she set the bar pretty high in regards to this publication. I will do my best to maintain the quality reporting and documentation of Aerie activities, both past and future. Thanks for this opportunity, it's great to be a member of Aerie 2272!
Best regards, Mike Trousdale

From the Auxiliary President:

My first bulletin as your Madam President and there is so much I would like to say. I am thankful for the faith that my sisters have placed in me by electing me to this position.

I promise each of you that I will give it my all and do the very best that I can do to fulfill my duties. Again I would like to express my appreciation to our past officers for the hard work and dedication that you put forth last year and for the advice and many suggestions you have already given me. I thank you!

To the new officers, I really look forward to working with all of you as we journey through this year. Sisters, let all of us commit to working together and living up to our motto, "People Helping People." Check out what is happening this month. July is going to be busy.

During the 4th of July weekend there is something going on every day. All of the proceeds will go to the FOE Diabetes Research Center in Iowa City. Get involved if you can. This is going to be a fun weekend. Let's work together and start this year out with a **BANG** Happy 4th to all of you.

Madam President Brenda Smith

Community Service News:

It's time to fill those backpacks! Once again the Eagles will help the students at Harrison Elementary soar into the new school year by collecting backpacks and supplies. Theli ttle red schoolhouse will be ready to accept your donated school supplies from July 9th through August 15th.

A list of requested items will be available at the Club. We will also accept monetary donations that will be used to purchase more items. Last year we donated over 1000 items to our neighborhood elementary. Let's see if we can top that this year!

New in July, we will start collecting BoxTops4Education and Campbell's Labels for Education. This will be an easy, free, and painless way to help our local school. Simply clip the Box Tops logo or Campbell's UPC codes from products that you already buy. Drop them in the collection box at the Club located near the ATM. Then the school uses them to earn cash and educational materials. This will be a year-round project.

Do you have a great idea for a community service project? Are you interested in helping out with these projects? Do you have any questions about the Eagles and community service? If so, contact April Hedgecoth at 521-2074 or hedgecoth@imonmail.com. Together we are "People Helping People!"

Joke of the Month:

Did you hear about the fire at the Circus?

It was "in tents"
