FROM THE EAGLE'S NEST:

Hello Eagles, I would like to welcome all the newly appointed Aerie and Auxiliary officers to what I know will be a great and exciting year!

My name is John D. Dwyer (JohnnyD!). Some of you already know me, I've been a member of FOE 2272 Eagles for over six years. Last year I served as your Worthy Vice President and became more involved with this wonderful group.

I am honored to continue this year as your Worthy President and look forward to working with even more of you, my fellow brothers and sisters.

Worthy President

John D. Dwyer

THINGS PAST PRESIDENTS DO

It has been an honor to serve this last year as your past president. What a great group of guys I had the pleasure of working with.

Our new officer line up looks extremely promising and I am looking forward to another great year. I took the glamorous job as trustee for one year and I promise I will do my best to keep our home happy and prosperous.

Thanks for the opportunity to serve you.

Past President

Mitch Smith

A WORD FROM THE AERIE TRUSTEES

Save the dates! Our annual Fourth of July Celebration will be here before we know it. Plan to spend the Fourth of July weekend at the Eagles Club having fun and raising money for the FOE Diabetes Research Center in Iowa City. The dunk tank, bake sale and other popular activities will be back again this year. We are always looking for new ideas to make this event even better.

So if you have an idea or want to help out, contact Jason Van Deusen at 981-2472. See you at the Club for Fourth of July fun!

R.E.A.C. NEWS

REAC will be having their installation of new officers on Monday, June 13th at 12:00 noon. Snacks will be served and we welcome anyone over 50 that would like to join us. Maybe your mom is sitting home alone, and would like to join and play BINGO.

2011-12 - AERIE / AUXILIARY OFFICER INSTALLATIONS

The installment of newly elected Aerie and Auxiliary Officers will be held at the Aerie on Sunday, June 5 at 1pm. Please stop by for the ceremony and to welcome our new officers on board.

EAGLE RIDERS SCHEDULED RIDE

The Eagle Riders have Scheduled a Ride on June 5th. Meet at the Aerie by 10am. Remember the delicious Breakfast Buffet 9am – 11am. The Ride begins at 11am. See the flier on the website for more details. Hope to see you there!

Auxiliary News From the Madam President

Hello to my Brothers and Sisters in Aerie/Auxiliary 2272. Although the installation has not taken place as of this writing, it will be held June 5th when all new officers for the year 2011-2012 will be installed. As your new president, I first of all would like to say thank you to Past Madam President Brenda Smith who did a great job in that role. She has led this auxiliary into a new direction in which our sisters have worked together to raise donations for the many charities the Eagles sponsor. I hope that in some way we have brought a smile to the face of a child, a grown up, a grandparent, a mother, a father or anyone that may be less fortunate.

I truly would like to say "thank you" to those that have the faith in me to provide the leadership in this auxiliary. I look forward to working together with both my brothers and sisters to continue meeting our motto of "People Helping People". Together, we will make this a great place to join for friendship, fun, fund-raising, and invite new members to do the same.

Just a reminder that June donations will go towards Disaster Relief. We all have seen the recent devastation that mother nature has done in the last few months in our southern states. What can we do to help?

I invite all sisters to attend our auxiliary meetings this month on June 14th and 28th. State Convention will be held June 22 - 25th and I look forward to attending my first one. I will share some news from that event next month.

Last but not least, don't miss the Breakfast Buffet June 5th, before installation. Have a great month and summer is on its way! Oh, just one more thing - each month I will share just a note on living the best you can to be the best you can. June's note: *"We make a living by what we get, we make a life by what we give."*
